In the meantime I have contacted our FOIA organization and asked them who the POC is for handling FOIAs for the spill. They think it is someone in the region and will get back to me.

Hi,

I'm working with the EOC on responses for the spill. I see that Rachel is out today. Are you the appropriate contact person for FOIA requests re: the incident?

Communications between the mine owners and the EPA, the agreement to let the EPA come on their land, any prior investigations and several other things.
